All stakeholders will sign the compact. The compact will be included in the back to school packet.

MMS will engage parents in the evaluation of your parental involvement efforts:

The school will engage parents in the annual evaluation of the Title I, Part A Program's, parental involvement efforts through an annual evaluation using a Comprehensive Needs Assessment filled out by teachers, parents and school staff. The Title I committee, made up of teachers, parents and school staff, will determine the effectiveness of the parental involvement plan and make changes if warranted. While collecting evidence about satisfaction with the program and the school's efforts to increase parental involvement will be a part of the evaluation, the survey will also collect specific information on the (1) growth in number of parents participating in workshops and meetings; (2) specific needs of parents; (3) effectiveness of specific strategies; and (4) engagement of parents in activities to support student academic growth.

Manila Middle School will use the parent interest surveys to select, plan and implement parental involvement activities that will be offered throughout the year:

The school will use the results of the parent interest survey and will be used to plan the parental involvement activities for the year. The school will evaluate the activities that were suggested by the parents at the end of the year as part of the annual parental involvement plan evaluation.

MMS will plan the Annual Title I Meeting:

Manila Middle School will host an Annual Title I Meeting. The agenda, the sign-in sheet and the minutes for this meeting must be generated separately from any other events and kept on file in the school's office (August 13, 2015).
